

Digital emotional wellbeing

Take control of your whole health—life, mind and body.

Magellan Healthcare's Digital Emotional Wellbeing program, powered by NeuroFlow, helps strengthen your mind-body connection through interactive activities and education for overall wellbeing. Available via mobile app and your member website, this program can help you in a variety of areas.

Key features:

- Complete activities such as breathing exercises, meditation, yoga or journaling.
- Track mood, sleep, stress and pain, and see your progress.
- Complete confidential, self-paced digital cognitive behavioral therapy for anxiety and depression.
- Connect to virtual therapy and in-person counselors.*
- Sync with other trackers like Fitbit, Garmin and MyFitnessPal through Apple Health or Google Fit.

This program can help you cope with and manage the effects of:

- | | | | |
|--|----------------|----------------------------------|---------------------------|
